# Convert from Standard to HDRP Guidelines

## REQUIREMENT SYSTEM

This HDRP Shader work with HDRP 7.3.1

## HOW TO DO

To change Standar shader to HDRP shader you need **select material > Shader > DawnShaderHDRP > then choose name match with old one with end name HDRP**

Example: **"ClothingShader"** > you need choose **"ClothingShaderHDRP"**

You may need re-add some missing textures.
